Balfour Beatty

Annual General Meeting 2019 and Class Meeting of Preference Shareholders

Dear Shareholder

I am pleased to send you details of the Annual General Meeting (AGM) of Balfour Beatty plc (Balfour Beatty or the Company), which we will be holding on Thursday 16 May 2019 at Painters' Hall, 9 Little Trinity Lane, London EC4V 2AD. The AGM is an important event in the Balfour Beatty calendar and provides the opportunity to update you on performance for the financial year, as well as offering you the opportunity to ask questions and vote on the items of business.

Each chair of your Board's Audit and Risk, Nomination, Remuneration and Safety and Sustainability Committees will be available at the AGM to answer any questions arising from the work of those Committees.

The AGM will start at 11.00 am and the formal notice of the AGM is set out on pages 7 to 9.

Immediately following the AGM, we will be holding a Class Meeting of the holders of the Company's cumulative convertible redeemable preference shares (Class Meeting). The formal notice of the Class Meeting is set out on page 10.

The business we will consider at the AGM

We will update you on the progress of your Company and conduct certain formal business concerning its governance. The AGM will cover standard matters that are dealt with at every AGM (resolutions 1 to 13). Resolutions 14 to 18 are similar to those which shareholders have passed in previous years.

Each one of the 18 resolutions that we are asking you to vote on is written in a formal way to make it legally valid. To make things clearer, we have explained each resolution in the following pages.

As is usual at the AGM and Class Meeting, I shall invite questions from shareholders present at each of those meetings. It would be helpful if you could send us the details of any proposed questions in advance, although this is not obligatory.

Questions may be sent by post to the Company Secretary at the Company's Registered Office or by email to info@balfourbeatty.com, with the heading "AGM 2019" or "Class Meeting 2019", as appropriate.

What to do next

If you hold ordinary shares in Balfour Beatty, you are entitled to vote on the resolutions and attend the AGM. It is important for the good governance of your Company that all holders of ordinary shares, regardless of the number of shares that they own, exercise their right to vote even if they cannot attend the meeting.

As many of our shareholders are unable to attend the meeting in person, we have decided again this year that voting on resolutions at the AGM will be by way of a poll and not by a show of hands. A poll is the fairest way of ensuring the wishes of shareholders are properly reflected at general meetings as it records the decision of all shareholders who have voted by proxy, and those who attend the meeting in person, based on the number of shares they hold. The results will be published on the Company's website as soon as practicable after the meeting.

If you cannot attend, you can nominate someone else to attend the meeting and vote for you, or you can nominate me to vote for you. For your proxy appointment to be effective, you need to complete and return the white Form of Proxy enclosed with this circular, or register your proxy appointment and voting instructions over the internet, by 11.00 am on Tuesday 14 May 2019. I am grateful to the many shareholders who have lodged proxy votes in the past.

There is more information on what you need to do if you want to appoint a proxy on pages 5 and 6. If you complete and return the white Form of Proxy, or register your proxy appointment and voting instructions over the internet, you can still attend the AGM and vote instead of your proxy.

Please note that if you hold only preference shares in Balfour Beatty and do not hold any ordinary shares, you are not entitled to vote on any of the resolutions or attend the AGM.

Class Meeting

If you hold preference shares in Balfour Beatty, you are entitled to vote on the resolution and attend the Class Meeting. If you cannot attend, you can use the blue Form of Proxy to nominate someone else to attend the meeting and vote for you, or you can nominate me to vote for you. If you want to appoint a proxy for the Class Meeting, you need to complete and return the blue Form of Proxy enclosed with this circular, or register your proxy appointment and voting instructions over the internet, by 11.45 am on Tuesday 14 May 2019.

If you complete and return the blue Form of Proxy, or register your proxy appointment and voting instructions over the internet, you can still attend the Class Meeting and vote instead of your proxy.

Recommendation

Your Directors believe that all the proposed resolutions to be considered at the AGM and Class Meeting are in the best interests of Balfour Beatty and its shareholders as a whole. Your Directors unanimously recommend that you vote in favour of the proposed resolutions as they intend to do in respect of their own beneficial shareholdings in Balfour Beatty.

There is more information about the AGM and the Class Meeting on the following pages.

Yours sincerely

Philip Aiken
Chairman
4 April 2019

We will be holding our AGM on Thursday 16 May 2019 at Painters' Hall. The meeting will start at 11.00 am and the formal notice of the meeting is set out on pages 7 to 9.

In these explanatory notes, the references to 29 March 2019 and to 30 June 2019 are to the latest practicable date prior to the publication of this circular and the latest date by which the Company must hold an AGM in 2019, respectively.

Resolutions 1 to 15

Each of these resolutions (which we have explained below) will be proposed as an ordinary resolution. For these resolutions to be passed, more than 50% of the votes cast must be in favour.

1. Directors' Report and Accounts

The Directors are required to present to the AGM the Company's accounts for the year ended 31 December 2018 and the reports of the Directors and the independent auditor on those accounts. These are all contained in the Company's Annual Report and Accounts 2018 (2018 Annual Report).

2. Directors' Remuneration Report

The Directors are required to put an ordinary resolution to the AGM seeking approval of the Remuneration Report which is contained in the 2018 Annual Report.

Shareholders are reminded that, as the vote is advisory, it does not affect the actual remuneration paid to any individual Director, nor is the entitlement of any individual Director, whether under a service contract or letter of appointment, conditional on the resolution being passed.

As the Directors' Remuneration Policy was approved by shareholders at the Company's AGM in 2017, it does not require to be approved again at this year's AGM. It will be put to shareholders again no later than the Company's AGM in 2020; it can be found in full at www.balfourbeatty.com/remuneration-policy.

3. Dividend

Shareholders must approve the final dividend payable for each ordinary share held. However, the final dividend cannot exceed the amount recommended by the Directors, which is 3.2p for each ordinary share. If approved, the final dividend will be paid on 5 July 2019 to holders of ordinary shares who are on the Company's Register of Members on 14 May 2019. The proposed final dividend will bring the total dividend for 2018 to 4.8p per ordinary share. For 2017, the total dividend was 3.6p per ordinary share.

4. to 11. Election and Re-election of Directors

Anne Drinkwater will stand for election at this year's AGM following her appointment to the Board on 1 December 2018. All other Directors who are currently in office will seek re-election at the AGM in accordance with the recommendations of the UK Corporate Governance Code.

Each of the Directors bring skills and experience which enhance the quality of debate in the boardroom and provides guidance in the Company's affairs. There are, however, specific areas where the non-executive Directors, in particular, bring a wealth of insight and, although not exhaustive, some of their most significant strengths are highlighted on page 71 of the 2018 Annual Report. The Directors believe that your Board continues to include an appropriate balance of skills, experience, independence and knowledge of the Company and retains the ability to provide effective leadership to the Group.

Following formal performance evaluations with all Board members carried out in October 2018, the Chairman is satisfied that each of the non-executive Directors continues to be effective and demonstrates commitment to the role, including commitment of time for Board and Committee meetings. Accordingly, your Board believes that the re-election of each of the Directors is in the best interests of your Company.

For information about each of your Directors seeking re-election, please refer to pages 11 and 12 of this circular.

12. and 13. Independent auditor

The Company must appoint an auditor at every general meeting at which accounts are presented to shareholders. KPMG LLP has indicated its willingness to continue to act as the Company's auditor for another year. On the recommendation of the Audit and Risk Committee, Resolution 12 proposes that KPMG LLP be reappointed as auditor of the Company.

Resolution 13 authorises your Board's Audit and Risk Committee to determine the remuneration of the auditor. Seeking separate authorities to appoint the auditor and to determine their remuneration is in accordance with best practice.

14. Authority to incur political expenditure

Part 14 of the Companies Act 2006 requires companies to obtain shareholders' authority for political donations in the European Union (EU) to registered political parties, other political organisations or an independent election candidate, totalling more than £5,000 in any 12-month period, and for any political expenditure, subject to limited exceptions. The definition of political donation in this context is very wide and extends to bodies such as those concerned with policy review, law reform and representation of the business community.

It could include special interest groups, such as those involved with the environment, which the Company and its subsidiaries might wish to support, even though these activities are not designed to support or influence support for a particular political party or political organisation.

It remains the policy of the Company and its subsidiaries not to make political donations or incur political expenditure in the EU as those expressions are normally understood. However, your Directors consider that it is in the best interests of shareholders for the Company to participate in public debate and opinion-forming matters which affect its business. In order to avoid the inadvertent infringement of the Companies Act 2006, your Directors are seeking shareholders' authority for the Company and its UK subsidiaries to make political donations and to incur political expenditure up to a maximum aggregate amount of £25,000 in the EU. The authority sought by this resolution will expire at the conclusion of the Company's AGM in 2020 or on 30 June 2020, whichever is the earlier.

In line with best practice guidelines published by the Investment Association, this resolution is put to shareholders annually, rather than every four years as permitted by the Companies Act 2006.

15. Authority to allot ordinary shares

The purpose of this resolution is to renew your Directors' authority to allot shares on a pre-emptive basis. The authority in paragraph (a) would give your Directors authority to allot new shares, or to grant rights to subscribe for or convert any security into shares, up to a nominal value of £114,956,603 representing approximately one-third of the Company's total issued ordinary share capital, exclusive of treasury shares, as at 29 March 2019.

The authority in paragraph (b) would give your Directors authority to allot new shares, or to grant rights to subscribe for or convert any security into shares, only in connection with a fully pre-emptive rights issue up to a further nominal value of £114,956,603. This is in line with the Investment Association's Share Capital Management Guidelines.

As at 29 March 2019, no shares were held by the Company as treasury shares. Your Directors have no current plans to exercise this authority. Your Directors consider it desirable to have the maximum flexibility permitted by corporate governance guidelines to respond to market developments. This will enable them to act in the best interests of shareholders when opportunities arise, by issuing ordinary shares at short notice, without the need to convene a general meeting.

This authority renews that given at last year's AGM and will expire at the conclusion of the Company's AGM in 2020 or, on 30 June 2020, whichever is the earlier, although your Directors intend to continue the practice of seeking renewal of this power at each AGM.

Resolutions 16, 17 and 18

These resolutions will be proposed as special resolutions. For these resolutions to be passed, at least 75% of the votes cast must be in favour.

16. Authority to allot ordinary shares for cash on a non pre-emptive basis

If your Directors allot new shares (or sell treasury shares) for cash (other than in connection with an employee share scheme), they must first offer them to existing shareholders in proportion to their existing holdings (known as pre-emption rights). However, there may be occasions when your Directors need the flexibility to finance business opportunities by the issue of shares for cash without a pre-emptive offer to existing shareholders. This resolution seeks shareholders' approval to do this.

The resolution seeks approval for the allotment of new ordinary shares of up to a nominal amount of £17,243,490 for cash (which includes the sale of any shares held in treasury), representing 5% of the Company's issued ordinary share capital as at 29 March 2019. This authority falls within the Pre-Emption Group's Statement of Principles.

Your Directors intend to adhere to the provisions of the Pre-Emption Group's Statement of Principles not to allot shares (other than pursuant to a rights issue or pre-emptive offer) in excess of an amount equal to 7.5% of the Company's issued ordinary capital in any rolling three-year period, without prior consultation with shareholders.

This authority renews that given at last year's AGM and will expire at the conclusion of the Company's AGM in 2020, or on 30 June 2020, whichever is the earlier. A renewal of this authority will be proposed at each subsequent AGM and the authority sought will fall within the Pre-Emption Group's Statement of Principles.

17. Authority for the Company to purchase its own ordinary and preference shares

Your Directors are committed to managing the Company's share capital effectively and it is proposed that, in common with many other listed companies, the Company continues to have the authority to make market purchases of its own shares. The number of shares the Company can buy is limited to a maximum of 10% of the Company's issued ordinary share capital and just under 15% of the Company's issued preference share capital, calculated by reference to the number of ordinary and preference shares respectively in issue at 29 March 2019.

The resolution sets out the lowest and the highest prices the Company can pay for its shares. The authorities expire at the conclusion of the Class Meeting which will follow the Company's AGM in 2020 or, on 30 June 2020, whichever is the earlier.

The Company's Articles of Association require that, to be effective, the holders of the Company's preference shares must also approve the authority. Accordingly, a meeting of holders of preference shares will be held in order to seek their approval for the authority.

This resolution is consistent with the Investment Association's Share Capital Management Guidelines which are more restrictive than the Companies Act 2006. Your Board will continue to monitor the capital requirements of the Company carefully and, although there are no plans to purchase ordinary or preference shares at the moment, the Directors consider it prudent to be able to act at short notice if the circumstances warrant it. Your Board will only make use of these authorities if it is satisfied: that it would promote the success of the Company to do so; that it could be expected to result in an increase in earnings per share; and accordingly that the purchase is in the interests of shareholders as a whole.

During 2018, no ordinary shares or preference shares were purchased for cancellation or to be held as treasury shares under the equivalent authorities granted at the 2018 AGM and Class Meeting of preference shareholders.

As at 29 March 2019, there were no outstanding warrants or options to subscribe for ordinary shares.

If the Company purchases its own shares they will be cancelled or held as treasury shares. The Companies Act 2006 permits the Company to hold shares purchased as treasury shares rather than treat them as cancelled. Any shares held in treasury may subsequently be cancelled, resold for cash or used to satisfy share options and share awards under an employee share scheme. Once shares are held in treasury, the Company is not entitled to exercise any rights, including the rights to attend and vote at meetings and receive dividends, in respect of those shares. Your Board will only hold shares in treasury where it believes this course of action would promote the success of the Company.

18. Notice of general meetings

Changes made to the Companies Act 2006 by The Companies (Shareholders' Rights) Regulations 2009 (the Regulations) increase the notice period required for general meetings to 21 days, unless shareholders approve a shorter notice period, which cannot be less than 14 clear days. Such approval will not affect AGMs, which will continue to be held on at least 21 clear days' notice.

Before the Regulations came into force, the Company was able to call general meetings (other than AGMs) on 14 clear days' notice. In order to preserve this ability, this resolution seeks renewal of the shareholder approval given at the 2018 AGM. If renewed, this approval will be effective until the conclusion of the Company's AGM in 2020, when your Directors intend to seek further renewal.

Shareholders should note that the changes to the Companies Act 2006 pursuant to the Regulations mean that, in order to be able to call a general meeting on less than 21 clear days' notice, the Company must make a means of electronic voting available to all shareholders for that meeting. The Company has provided an electronic voting facility for several years and intends to continue to do so.

The shorter notice period would not be used as a matter of routine for such meetings, but only where the flexibility offered by the shorter notice period would be in the best interests of shareholders generally, taking into account the circumstances and business of the meeting, including whether the business is time sensitive.

Class Meeting

We will be holding a Class Meeting of holders of preference shares on Thursday 16 May 2019 at Painters' Hall, 9 Little Trinity Lane, London EC4V 2AD. The Class Meeting will start at 11.45 am (or, if later, immediately after the completion of the AGM) and formal notice of the meeting is set out on page 10.

The only item to be considered will be proposed as a special resolution, which will require at least 75% of the votes cast to be in favour of the resolution.

The resolution is explained on this page under Resolution 17 "Authority for the Company to purchase its own ordinary and preference shares".

Important information for shareholders

You (or any appointed proxy) have the right to attend, speak and vote at the AGM and/or the Class Meeting (as the case may be) if you are a holder of ordinary and/or preference shares as shown on the Company's share register at close of business on Tuesday 14 May 2019 (or, in the event of an adjournment, at close of business on the date which is two days before the time of the adjourned meeting). Changes to the Register of Members after the relevant deadline will be disregarded in determining the rights of any person to attend and vote at the AGM and/or the Class Meeting.

If you cannot attend the AGM and/or the Class Meeting (as the case may be), you may appoint someone else as your proxy. The number of shares that you hold as at the relevant deadline will determine how many votes you will have directly or through your proxy (or proxies).

Time and place of meetings

Balfour Beatty's AGM will be held first and will start promptly at 11.00 am on Thursday 16 May 2019 at Painters' Hall, 9 Little Trinity Lane, London EC4V 2AD. The Class Meeting will be held at 11.45 am or, if later, immediately after the completion of the AGM and will be held at the same location as the AGM.

Registration for both meetings will start at 10.00 am.

What you need to bring

Please keep and bring with you the attendance card attached to your Form of Proxy. It will authenticate your right to attend, speak and vote and will speed up your admission. You may also find it helpful to bring this circular with you, so that you can refer to it at the meetings.

Joint shareholders

All joint shareholders may attend and speak at the meetings. However, only the first shareholder listed on the Register of Members is entitled to vote.

Shareholders with disabilities

The venue for the meetings has full access for the disabled. As usual, there will be sound amplification to assist those present to follow the proceedings.

If you are not coming to the meetings

You may appoint a proxy – someone who will attend the AGM and/or the Class Meeting (as the case may be) on your behalf and exercise all or any of your rights to speak and vote – by completing and returning the relevant Form(s) of Proxy, white for the holders of ordinary shares and blue for the holders of preference shares, in accordance with the following instructions.

A proxy need not be a member of the Company.

Before completing the relevant Form(s) of Proxy, please read the following explanatory notes.

How to complete the Form(s) of Proxy

1. Appointing the Chairman as your proxy

For convenience, the appointment of the Chairman of the Meeting has already been included. If you wish to make this appointment, you need only complete, sign and date the relevant Form.

The relevant Form enables you to instruct the Chairman how to vote on the resolutions to be proposed at the AGM or the Class Meeting. These resolutions are set out in the meeting notices from pages 7 to 9 and are explained on pages 2 and 3. He will vote (or withhold his vote) as he thinks fit on any other business which may properly come before the meetings.

Please place an "X" in the appropriate box alongside each resolution to indicate whether, and if so, how you wish your vote to be cast in relation to that resolution. In the absence of any specific instruction on how to vote on a particular resolution, your proxy may vote as the proxy thinks fit on any motion to amend a resolution or to adjourn the meeting, or on any other resolution proposed at the AGM or the Class Meeting. The "Vote withheld" option is provided, in accordance with best practice, so as to enable you to instruct your proxy not to vote on any particular resolution. However, it should be noted that a vote withheld in this way is not a vote in law and will not be counted in the calculation of the proportion of votes "For" or "Against" a resolution.

2. Appointing someone other than the Chairman as your proxy

If you wish to appoint someone else as your proxy, you should insert the name of your proxy in the space provided.

If necessary, please enter in the box next to the proxy's name the number of shares over which they are authorised to act as your proxy. If left blank, the proxy will have your full voting entitlement.

3. Appointing more than one person as your proxy

To appoint more than one person as your proxy, you may photocopy the relevant Form(s) of Proxy in relation to each proxy you wish to appoint. Each Form should clearly indicate the name of the proxy and the number of shares in relation to which they are authorised to act as your proxy. Please also indicate if the proxy instruction is one of multiple instructions being given.

All Forms must be signed and should be returned together in the same envelope.

4. Signing the Form(s) of Proxy

Before posting the relevant Form(s) of Proxy, please check that it has been signed and dated. In the case of joint holders, any one of you may sign.

If someone signs the Form(s) on your behalf, you or that person must send it to the Company's Registrars, Link Asset Services (see 6 to 8 below) with the authority under which it is signed, or a copy of the authority which has been certified by a solicitor or notary.

5. Corporate appointment of proxy

Where the person appointing the proxy is a company, the relevant Form(s) of Proxy must be either under seal or under the hand of a duly authorised officer or attorney and the appropriate power of attorney or other authority must be lodged with the Form(s).

6. Posting details

To be valid, a Form of Proxy, together with any authority (see 4 and 5 above), must be received by Link Asset Services not later than 11.00 am on Tuesday 14 May 2019 for the holders of ordinary shares, or 11.45 am on Tuesday 14 May 2019 for the holders of preference shares, or if the relevant meeting is adjourned, 48 hours before the time for holding the relevant adjourned meeting.

Completion and return of a Form of Proxy will not prevent you from attending and voting in person at the relevant meeting.

7. UK shareholders

Each UK shareholder should reply by posting a Form of Proxy to Link Asset Services in the envelope provided. No stamp is required. Alternatively, you may vote electronically via the internet at www.balfourbeatty-shares.com (see 10 overleaf).

Important information for shareholders continued

8. Shareholders outside the UK

Shareholders with addresses outside the UK should reply by returning their Form(s) of Proxy in an envelope to Link Asset Services, PXS, 34 Beckenham Road, Kent BR3 4TU, United Kingdom. Alternatively, you may vote electronically via the internet at www.balfourbeatty-shares.com (see 10 below).

9. Duplicate Forms of Proxy

If Link Asset Services receive two or more Forms of Proxy from the same shareholder relating to the same shareholding, they will act upon the one that is delivered last (regardless of its date). If they cannot confirm which one was delivered last (regardless of its date), they will not act on any of the Forms. If your Form arrives after the voting deadline, it will not be valid and will not replace any earlier Forms that they have received.

10. Electronic proxy submission

If you would like to submit your Form of Proxy electronically via the internet, you may do so via www.balfourbeatty-shares.com.

You will need to register to use the service if you have not already done so. Once registration is complete, you may vote online by following the instructions provided.

CREST members who wish to appoint a proxy or proxies by utilising the CREST electronic proxy appointment service may do so for the meetings and any adjournment(s) thereof by utilising the procedures described in the CREST manual. CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a voting service provider, should refer to their CREST sponsor or voting service provider, who will be able to take the appropriate action on their behalf.

In order for a proxy appointment made by means of CREST to be valid, the appropriate CREST message (a CREST Proxy Instruction) must be properly authenticated in accordance with Euroclear's specifications and must contain the information required for such instructions, as described in the CREST Manual. The message must be transmitted so as to be received by the issuer's agent (ID RA10) by the latest time(s) for receipt of proxy appointments specified in the relevant notice of meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Application Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST Personal Member or sponsored member or has appointed a voting service provider, to procure that the CREST sponsor or voting service provider takes) such action as shall be necessary to ensure that a message is transmitted by the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001, as amended.

11. Documents

The formal notice of the AGM on pages 7 to 9 provides details of the documents which are available for inspection prior to and during the AGM.

12. General information

Tea and coffee will be available up to the commencement of the AGM and light refreshments will be available after the meetings.

For the safety of everybody at our AGM and Class Meeting, you may be asked to provide proof of your identity and to allow our security staff to search any bags or packages. Please allow time for these procedures. You will not be allowed to enter the meetings with recording equipment, cameras, or any other inappropriate item which may interfere with the good order of the meetings. Large bags, rucksacks and suitcases cannot be brought into the meetings. Storage and cloakroom facilities will be provided. If, having registered, you wish to leave the building, you should first report to the registration desk. If you fail to do this, you may have difficulty gaining readmission. We may refuse entry to persons whose demeanour or behaviour we believe may interfere with the good order of the meetings. Anyone attempting to take photographs, film or record the proceedings may be asked to leave.

Please switch off any mobile phones or other electronic equipment before the meetings begin.

We hope you will understand that these arrangements are for the protection of all shareholders and to ensure good order at the meetings.

If you have any comments or questions concerning either the AGM or the Class Meeting, you can write to the Company Secretary either by post to the Company's registered office or by email to info@balfourbeatty.com, with the heading "AGM 2019" or "Class Meeting 2019" as appropriate. Notices of termination of proxy appointment, or requests for additional Forms of Proxy, should not be sent to this email address. If you wish to give notice of the termination of a proxy appointment, please send a letter to the Company's Registrars giving the full details. This should arrive before the voting deadline. Please note that, as indicated on the Shareholder information page, any administrative enquiry relating to your shareholding should, in the first instance, be directed to the Company's Registrars clearly stating your registered name and address and, if available, shareholder reference number.

You can obtain the results of the AGM and Class Meeting by telephoning the Company's Registrars after the meetings have ended. The results will also be announced to the UK Listing Authority via a Regulatory Information Service and will appear on the Balfour Beatty website (at www.balfourbeatty.com) as soon as practicable following the meetings.

13. Duplicate mailings

You may have received separate sets of documents as it was not possible to combine your records – for example, because different dividend payment instructions apply. Any shareholders who now wish to stop duplicate mailings by combining their records should contact Link Asset Services (see Shareholder Information in the Annual Report on pages 199-200).

- 15.** To consider and, if thought fit, pass as an ordinary resolution:

THAT:

- (a) the authority conferred on the Directors by Article 8.2 of the Company's Articles of Association be renewed for the period ending at the end of the next AGM or on 30 June 2020, whichever is the earlier, and for such period the Section 551 Amount (as defined in the Company's Articles of Association) shall be £114,956,603; and

- (b) the Directors be generally and unconditionally authorised pursuant to and in accordance with Section 551 of the Companies Act 2006 to exercise all the powers of the Company to allot shares or grant rights to subscribe for or to convert any security into shares up to a further nominal amount of £114,956,603 in connection with an offer by way of a rights issue, such authority to expire at the end of the next AGM or on 30 June 2020, whichever is the earlier;

but so that the Company may make offers and enter into agreements during the period referred to in paragraphs (a) and (b) above which would, or might, require shares to be allotted or rights to subscribe for, or convert other securities into, shares to be granted after the authority ends.

For the purposes of this resolution, "rights issue" means an offer to:

- (i) holders of ordinary shares in the capital of the Company in proportion (as nearly as may be practicable) to the respective number of ordinary shares held by them; and
- (ii) holders of other equity securities if this is required by the rights of those securities or, if the Directors consider it necessary, as permitted by the rights of those securities;

to subscribe for further securities by means of the issue of a renounceable letter (or other negotiable document) which may be traded for a period before payment for the securities is due, but subject in both cases to such exclusions or other arrangements as the Directors may deem necessary or expedient in relation to treasury shares, fractional entitlements, record dates or legal, regulatory or practical problems in, or under the laws of, any territory or any other matter.

- (b) the Directors be empowered to allot equity securities (as defined in Section 560(1) of the Companies Act 2006 (the 2006 Act)) and sell treasury shares for cash pursuant to the authority given by paragraph (b) of Resolution 15 above and in connection with a rights issue as if Section 561(1) of the 2006 Act did not apply to such allotment, such power to expire at the end of the next AGM or on 30 June 2020, whichever is the earlier, but so that the Company may make offers and enter into agreements during this period which would, or might, require equity securities to be allotted after the power ends.

For the purposes of this resolution, "rights issue" has the same meaning as in Resolution 15.

- (c) the minimum price, exclusive of expenses, which may be paid for a share is its nominal value; and
- (d) this authority will expire unless previously revoked or varied, at the conclusion of the Class Meeting which will follow the AGM of the Company to be held in 2020, or on 30 June 2020, whichever is the earlier (except in relation to the purchase of shares the contract for which was concluded before the expiry of this authority and which will or may be executed wholly or partly after such expiry).

Shareholder information continued

Unsolicited telephone calls

In the past, some of our shareholders have received unsolicited telephone calls or correspondence concerning investment matters from organisations or persons claiming or implying that they have some connection with the Company. These are typically from overseas-based 'brokers' who target UK shareholders offering to sell them what often turn out to be worthless or high-risk shares in UK or overseas investments. Shareholders are advised to be very wary of any unsolicited advice, offers to buy shares at a discount or offers of free reports on the Company.

If you receive any unsolicited investment advice:

- always ensure the firm is on the Financial Conduct Authority (FCA) Register and is allowed to give financial advice before handing over your money. You can check via www.fsa.gov.uk/register/home.do
- double-check the caller is from the firm they say they are – ask for their name and telephone number and say you will call them back. Check their identity by calling the firm using the contact number listed on the FCA Register. If there are no contact details on the FCA Register or you are told that they are out of date, or if you have any other doubts, call the FCA Consumer Helpline on 0800 111 6768
- if you are approached about a share scam, please visit the FCA's ScamSmart website at www.fca.org.uk/scamsmart where you can access information about the various types of scam, including share and boiler room fraud, see the FCA's Warning List and reports on firms about whom consumers have expressed concerns. Alternatively, you can call the FCA Consumer Helpline (see above). If you use an unauthorised firm to buy or sell shares or other investments, you will not have access to the Financial Ombudsman Service or be eligible to receive payment under the Financial Services Compensation Scheme if things go wrong
- you should also report any approach to Action Fraud, which is the UK's national fraud reporting centre, at www.actionfraud.police.uk, or by calling 0300 123 2040.

Gifting shares to your family or to charity

To transfer shares to another member of your family as a gift, please ask the Registrars for a Balfour Beatty gift transfer form. Alternatively, if you only have a small number of shares whose value makes it uneconomic to sell them, you may wish to consider donating them to the share donation charity ShareGift (registered charity no. 1052686), whose work Balfour Beatty supports.

Any shares you donate to ShareGift will be aggregated, sold when possible, and the proceeds will be donated to a wide range of other UK charities. Since ShareGift was launched, over £27m has been given to more than 2,600 charities.

The relevant share transfer form may be obtained from the Registrars. For more information visit www.sharegift.org.
