

A13/A130 Sadlers Farm project newsletter

www.balfourbeatty.com/sadlersfarm

16th August 2018

We are undertaking a 12-month programme of remedial works on the A13/A130 Sadlers Farm scheme on behalf of Essex County Council.

We're continuing to work with Essex County Council to plan and manage the ongoing works so we can keep traffic moving and minimise the disruption to road users and the local community.

Upcoming works involve lane closures, night works and weekend works. We need to do this to enable us to carry out these essential works safely.

We've included the upcoming dates in this newsletter and some Q&As you may find useful.

You can also find key dates of the project on our dedicated web page:

www.balfourbeatty.com/sadlersfarm

Traffic Management Phases

6th Aug – 24th Aug:

A13 Westbound On-Slip from Sadlers Farm roundabout lane 1 closure (mid-week only)

NOTE: Daytime single lane closure (mid-week only) will enable us to safely undertake drainage and safety barrier works.

20th Aug – 3rd Sept:

A130 Canvey Way night single lane closure under traffic light control (mid-week only)

NOTE: Overnight single lane closure under traffic light control (mid-week only will enable us to safely undertake pavement/kerb realignment).

Ongoing until 21st Sept:

A13/A130 Link Road Eastbound & Westbound Lane 1 closure (mid-week and weekends)

NOTE: Required to safely carry out remedial works to the block retaining wall and bridges.

18th Sept – 21st Sept:

Night closures to remove traffic management on East and West sides of A13/A130 Link Road

NOTE: Full overnight closures will enable us to safely remove traffic management. All traffic management will be removed by 05.00.

12th Oct – 15th Oct:

A13 Westbound full weekend closure from A13/A130 Link Road junction to Pitsea Flyover

NOTE: Required to safely carry out essential works to the A13 central reserve crossover (Westbound). All traffic management will be removed by 05.00.

19th Oct – 22nd Oct:

A13 Eastbound full weekend closure from Pitsea Flyover to A13/A130 Link Road junction

NOTE: Required to safely carry out essential works to the A13 central reserve crossover (Eastbound). All traffic management will be removed by 05.00.

Continued overleaf

Image: Lane closures on A13/A130

22nd Oct – 26th Oct:

A13 Eastbound full overnight closure from Pitsea Flyover to A13/A130 Link Road junction

NOTE: Required to safely carry out essential works to the A13 central reserve crossover (Eastbound). All traffic management will be removed by 05.00.

22nd Sept – 14th Dec:

Day time off-peak lane closure from Sadlers Farm roundabout to A13 West bound entry slip

NOTE: Required to enable us to safely access and carry out works to Sadlers Farm Bridge.

22nd Sept – 14th Dec:

A13 Eastbound and Westbound lane 1 closure from Pitsea Flyover to A13/A130 Link Road Junction

NOTE: Required to safely carry out remedial works to the strengthened verge embankments.

(Please note: all the road closures listed above are subject to change.)

Frequently Asked Questions

Q: When is the project due to complete?

A: We are working to a 12-month programme and our works are due to complete at the end of 2018.

Q: Will there be any road closures?

A: We will implement a multi-phase traffic management plan, comprising of a series of lane closures, overnight and weekend works to carry out the works which will inevitably and unfortunately cause some disruption to road users and local communities. Visit our project news page for more information.

Q: What are your working hours?

A: Our general site hours will be from 7am – 6pm Monday to Friday and we shall undertake selective activities at weekends. Traffic management and other specific works, unable to be carried out during the day, will also be programmed at night between 8pm - 5am.

Q: What works are being undertaken?

A: Our works include the upgrading of existing drainage systems on the A13/A130 Link Road, remedial works to the block retaining wall and bridges, the replacement of bearings on two bridges , embankment re-profiling and carriageway strengthening on the A13 near Pitsea.

Q: How can I register a complaint?

A: We have a dedicated 24/7 helpline team who will be able to investigate any issues. You can call on: 0800 121 4444 or email help@balfourbeatty.com.

For out of hours, emergency contact, please call our 24/7 Helpline team free on **0800 121 4444** or email help@balfourbeatty.com
