Balfour Beatty

Annual General Meeting 2022

Dear shareholder

I am pleased to send you details of the Annual General Meeting (AGM) of Balfour Beatty plc (Balfour Beatty or the Company), which will be held at 11:00am on Thursday 12 May 2022 at The Curve Building, Axis Business Park, Langley, Berkshire, SL3 8AG. The AGM is an important event in the Balfour Beatty calendar and provides the opportunity to update you on performance for the financial year, as well as offering you the opportunity to ask questions and vote on the items of business.

Each chair of the Board's Audit and Risk, Nomination, Remuneration and Safety and Sustainability Committees will be available at the AGM to answer any questions arising from the work of those Committees.

The AGM will start at 11:00am and the formal notice of the AGM is set out on pages 2 to 3. Registration will start at 10:30am.

The business we will consider at the AGM

The AGM will cover standard matters that are dealt with at every AGM (resolutions 1 to 14). Resolutions 15 to 19 are similar to those which shareholders have passed in previous years.

Each one of the 19 resolutions that we are asking you to vote on is written in a formal way to make it legally valid. To make things clearer, we have set out explanatory notes to the resolutions, which immediately follow the Notice of Annual General Meeting.

I shall invite questions from shareholders present at the AGM however, you are encouraged to submit questions in advance of the meeting. Any questions may be sent by post to the Company Secretary at the Company's Registered Office or by email to companysecretary@balfourbeatty.com. Notices of termination of proxy appointment, or requests for additional Forms of Proxy, should not be sent to this email address.

Changes to the Board

In-line with previous AGMs, each Director is putting themselves forward for election or re-election. I joined the Board in May 2021, this is therefore the first AGM at which I am being elected. In addition, I am delighted to welcome Louise Hardy who joined the Board as a non-executive Director on 1 April 2022 and will also stand for election at the AGM. Louise will make a strong addition to the Board as a result of her in-depth sector knowledge and technical expertise.

What to do next

If you hold ordinary shares in Balfour Beatty, you are entitled to vote on the resolutions and attend the AGM. It is important for the good governance of the Company that all holders of ordinary shares, regardless of the number of shares that they own, exercise their right to vote even if they cannot attend the meeting.

As many shareholders may be unable to attend the meeting in person, voting on resolutions at the AGM will be by way of a poll and not by a show of hands. A poll is the fairest way of ensuring the wishes of shareholders are properly reflected at general meetings as it records the decision of all shareholders who have voted by proxy, and those who attend the meeting in person, based on the number of shares they hold. The results will be published on the Company's website as soon as practicable after the meeting.

If you cannot attend the meeting in person, you can nominate someone else to attend the meeting and vote for you, or you can nominate me to vote on your behalf. For your proxy appointment to be effective, you need to complete and return a Form of Proxy, or register your proxy appointment and voting instructions over the internet, by 11:00am on Tuesday 10 May 2022. I am grateful to the many shareholders who have lodged proxy votes in the past.

There is more information on what you need to do if you want to appoint a proxy on pages 10 and 11. If you complete and return the Form of Proxy, or register your proxy appointment and voting instructions over the internet, you can still attend the AGM and vote instead of your proxy.

Recommendation

Your Directors believe that all the proposed resolutions to be considered at the AGM are in the best interests of Balfour Beatty and its shareholders as a whole. Your Directors unanimously recommend that you vote in favour of the proposed resolutions as they intend to do in respect of their own beneficial shareholdings.

Yours faithfully

Charles Allen

Special Business

15. To consider and, if thought fit, pass as an ordinary resolution:

THAT:

- (a) the Company is, and all companies that are, at any time during the period for which this resolution has effect, subsidiaries of the company as defined in the Companies Act 2006 (the 2006 Act), are authorised, for the purposes of Part 14 of the 2006 Act at any time during the period from the date of the passing of this resolution to the conclusion of the next AGM, or on 30 June 2023, whichever is the earlier:
 - (i) to make political donations to political parties and/or independent election candidates not exceeding £25,000 in total;
 - (ii) to make political donations to political organisations other than political parties not exceeding £25,000 in total; and
 - (iii) to incur political expenditure not exceeding £25,000 in total; provided that the aggregate amount of any such donations and expenditure shall not exceed £25,000;
- (b) all existing authorisations and approvals relating to political donations or expenditure are hereby revoked without prejudice to any donation made or expenditure incurred prior to the date hereof pursuant to such authorisation or approval; and
- (c) words and expressions defined for the purpose of Part 14 of the 2006 Act shall have the same meaning in this resolution.

16. To consider and, if thought fit, pass as an ordinary resolution:

THAT:

- (a) the Directors be generally and unconditionally authorised pursuant to and in accordance with Section 551 of the 2006 Act to exercise all the powers of the Company to allot shares, and to grant rights to subscribe for, or to convert any security into, shares, up to an aggregate nominal amount of £106,138,382.33, such authority to expire at the end of the next AGM or on 30 June 2023, whichever is the earlier; and

- (b) the Directors be generally and unconditionally authorised, pursuant to and in accordance with Section 551 of the 2006 Act, to exercise all the powers of the Company to allot shares or grant rights to subscribe for or to convert any security into shares up to a further nominal amount of £106,138,382.33 in connection with an offer by way of a rights issue, such authority to expire at the end of the next AGM or on 30 June 2023, whichever is the earlier;

but so that the Company may make offers and enter into agreements during the period referred to in paragraphs (a) and (b) above which would, or might, require shares to be allotted or rights to subscribe for, or convert other securities into, shares to be granted after the authority ends.

For the purposes of this resolution, 'rights issue' means an offer to:

- (i) holders of ordinary shares in the capital of the Company in proportion (as nearly as may be practicable) to the respective number of ordinary shares held by them; and
- (ii) holders of other equity securities if this is required by the rights of those securities or, if the Directors consider it necessary, as permitted by the rights of those securities, to subscribe for further securities by means of the issue of a renounceable letter (or other negotiable document) which may be traded for a period before payment for the securities is due, but subject in both cases to such exclusions or other arrangements as the Directors may deem necessary or expedient in relation to treasury shares, fractional entitlements, record dates or legal, regulatory or practical problems in, or under the laws of, any territory or any other matter.

17. To consider and, if thought fit, pass as a special resolution:

THAT subject to the passing of Resolution 16, the Directors be empowered to allot equity securities (as defined in Section 560(1) of the 2006 Act) wholly for cash pursuant to the authority given by Resolution 16 above and to sell treasury shares wholly for cash, as if Section 561(1) of the 2006 Act did not apply to such allotment or sale, in each case:

- (a) in connection with a rights issue; and

-
- (b) otherwise than in connection with a rights issue, up to an aggregate nominal amount of £17,243,490.47,

such authority to expire at the end of the next AGM or on 30 June 2023, whichever is the earlier, but so that the Company may make offers and enter into agreements during this period which would, or might, require equity securities to be allotted and treasury shares to be sold after the authority given by this resolution has expired.

For the purposes of this resolution, 'rights issue' has the same meaning as in Resolution 16.

18. To consider and, if thought fit, pass as a special resolution:

THAT the Company be hereby generally and unconditionally authorised for the purposes of Section 701 of the 2006 Act to make market purchases (within the meaning of Section 693(4) of the 2006 Act) of ordinary shares of 50p each in the Company (ordinary shares) on such terms as the Directors think fit, and where such shares are held in treasury, the Company may, among other things, use them for the purpose of its employee share schemes provided that:

- (a) the maximum number of ordinary shares hereby authorised to be purchased is 63,683,029;
- (b) the maximum price, exclusive of expenses, which may be paid for a share is the higher of:
- (i) an amount equal to 105% of the average of the middle market quotations of an ordinary share (as derived from the London Stock Exchange Daily Official List) for the five business days immediately preceding the day on which such ordinary share is contracted to be purchased; and
 - (ii) the higher of the price of the last independent trade and the highest current independent bid on the trading venues where the purchase is carried out;
- (c) the minimum price, exclusive of expenses, which may be paid for a share is its nominal value; and

- (d) this authority will expire unless previously revoked or varied, at the end of the next AGM or on 30 June 2023, whichever is the earlier (except in relation to the purchase of shares the contract for which was concluded before the expiry of this authority and which will or may be executed wholly or partly after such expiry).

19. To consider and, if thought fit, pass as a special resolution:

THAT a general meeting of the Company, other than an Annual General Meeting, may be called on not less than 14 clear days notice.

A proxy need not be a member of the Company.

Changes to the entries on the relevant Register of Members after close of business on Tuesday, 10 May 2022 will be disregarded in determining the rights of any person to vote at the meeting (and any adjournment thereof).

- (vi) Any person to whom this notice is sent who is a person nominated under Section 146 of the Companies Act 2006 (the 2006 Act) to enjoy information rights (a Nominated Person) may, under an agreement between him/her/them and the shareholder by whom he/she/they was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the meeting. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she/they may, under any such agreement, have a right to give instructions to the shareholder as to the exercise of voting rights.

- (ix) Any holder of ordinary shares attending the meeting has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the meeting but no such answer need be given if:

- (b) the answer has already been given on the Company's website in the form of an answer to a question; or
- (c) it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.
- (x) Under Section 527 of the 2006 Act shareholders that meet the threshold requirements set out in that section have the right to require the Company to publish on a website a statement setting out any matter relating to:
- (a) the audit of the Company's accounts (including the auditor's report and the conduct of the audit) that are to be laid before the meeting; or
- (b) any circumstance connected with an auditor of the Company ceasing to hold office since the previous meeting at which annual accounts and reports were laid in accordance with Section 437 of the 2006 Act.

The Company may not require the members requesting any such website publication to pay its expenses in complying with Sections 527 or 528 of the 2006 Act. Where the Company is required to place a statement on a website under Section 527 of the 2006 Act, it must forward the statement to the Company's auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the meeting includes any statement that the Company has been required to publish on a website under Section 527 of the 2006 Act.

Explanatory notes to the business of the AGM

We will be holding our AGM on Thursday 12 May 2022 at The Curve Building, Axis Business Park, Langley, Berkshire SL3 8AG.

The meeting will start at 11:00am and the formal notice of the meeting is set out on pages 2 to 3.

In these explanatory notes, the references to 24 March 2022 and to 30 June 2023 are to the latest practicable date prior to the publication of this circular and the latest date by which the Company must hold an AGM in 2023, respectively.

Resolutions 1 to 16

Resolutions 1 to 16 will be proposed as ordinary resolutions. For these resolutions to be passed, more than 50% of the votes cast must be in favour.

1. Directors' Report and Accounts

The Directors are required to present the annual accounts, Strategic report, Directors' report and Auditor's report on the accounts to the meeting for the year ended 31 December 2021. These are all contained in the Company's Annual Report and Accounts 2021 (the '2021 Annual Report').

2. Directors' remuneration report

The Company is required to seek shareholder approval of the Directors' remuneration report for the year ended 31 December 2021 on pages 150 to 166 of the 2021 Annual Report (other than the summary of remuneration policy on pages 154 to 156). The vote is advisory in nature and therefore no entitlement of any individual Director to remuneration, whether under a service contract or letter of appointment, is conditional on the passing of this resolution.

3. Dividend

Shareholders must approve the final dividend payable for each ordinary share held.

However, the final dividend cannot exceed the amount recommended by the Directors, which is 6.0p for each ordinary share. If approved, the final dividend will be paid on 6 July 2022 to holders of ordinary shares who are on the Company's Register of Members on 4 June 2022. The proposed final dividend will bring the total dividend for 2021 to 9.0p per ordinary share. For 2020, the total dividend was 1.5p per ordinary share. Shares held in Treasury do not receive the dividend.

4 to 12. Election and re-election of Directors

Charles Allen and Louise Hardy will stand for election at this year's AGM following their appointment to the Board on 13 May 2021 and 1 April 2022 respectively. All other Directors who are currently in office will seek re-election at the AGM in accordance with the recommendations of the UK Corporate Governance Code.

Each of the Directors bring skills and experience which enhance the quality of debate in the boardroom and provides guidance in the Company's affairs. There are, however, specific areas where the

non-executive Directors, in particular, bring a wealth of insight and, although not exhaustive, some of their key skills and experience are highlighted on page 136 of the 2021 Annual Report. The Directors believe that your Board continues to include an appropriate balance of skills, experience, independence and knowledge of the Company and retains the ability to provide effective leadership to the Group.

Following formal performance evaluations with all Board members carried out in 2021, the Group Chair is satisfied that each of the non-executive Directors continues to be effective and demonstrates commitment to the role, including commitment of time for Board and Committee meetings. Similarly, the Board is satisfied that the Group Chair is effective and demonstrates commitment to the role. In particular, the Board has carefully considered the time commitment needed for the Group Chair role and is satisfied that the Group Chair has sufficient time to discharge his duties notwithstanding other demands on his time. Accordingly, your Board believes that the election or re-election of each of the Directors is in the best interests of your Company.

For information about each of your Directors seeking re-election, please refer to pages 7 to 9 of this Notice.

13 and 14. Independent auditor

The Company must appoint an auditor at every general meeting at which accounts are presented to shareholders. KPMG LLP has indicated its willingness to continue to act as the Company's auditor for another year until the conclusion of the next AGM at which accounts are laid before the Company. The Audit and Risk Committee has assessed the effectiveness, independence, objectivity, appropriate mindset and professional scepticism of the external auditor, KPMG, and concluded that the external auditor was in all respects effective. On the recommendation of the Audit and Risk Committee, Resolution 13 proposes that KPMG LLP be reappointed as auditor of the Company.

Resolution 14 authorises your Directors to determine the remuneration of the auditor. Seeking separate authorities to appoint the auditor and to determine its remuneration is in accordance with best practice.

15. Authority to incur political expenditure

Part 14 of the Companies Act 2006 requires companies to obtain shareholders' authority for political donations to registered political parties, other political organisations or an independent election candidate, totalling more than £5,000 in any 12-month period, and for any political expenditure, subject to limited exceptions.

The definition of political donations in this context is very wide and extends to bodies such as those concerned with policy review, law reform and representation of the business community.

It could include special interest groups, such as those involved with the environment, which the Company and its subsidiaries might wish to support, even though these activities are not designed to support or influence support for a particular political party or political organisation.

It remains the policy of the Company and its subsidiaries not to make political donations or incur political expenditure as those expressions are normally understood. However, your Directors consider that it is in the best interests of shareholders for the Company to participate in public debate and opinion forming matters which affect its business. In order to avoid the inadvertent infringement of the Companies Act 2006, your Directors are seeking shareholders' authority for the Company, and all companies that are, at any time during the period for which this resolution has effect, subsidiaries of the company as defined in the 2006 Act, to make political donations and to incur political expenditure up to a maximum aggregate amount of £25,000. The authority sought by this resolution will expire at the conclusion of the Company's AGM in 2023, or on 30 June 2023, whichever is the earlier.

In line with best practice guidelines published by the Investment Association, this resolution is put to shareholders annually, rather than every four years as permitted by the Companies Act 2006.

16. Authority to allot ordinary shares

The purpose of this resolution is to renew your Directors' authority to allot shares. The authority in paragraph (a) would give your Directors authority to allot new shares, or to grant rights to subscribe for or convert any security into shares, up to a nominal value of £106,138,382.33 representing approximately one-third of the Company's total issued ordinary share capital, exclusive of treasury shares, as at 24 March 2022.

The authority in paragraph (b) would give your Directors authority to allot new shares, or to grant rights to subscribe for or convert any security into shares, only in connection with a fully pre-emptive rights issue up to a further nominal value of £106,138,382.33. This is in line with the Investment Association's Share Capital Management Guidelines.

As at 24 March 2022, 52,909,325 shares were held by the Company as treasury shares. Your Directors consider it desirable to retain the maximum flexibility permitted by corporate governance guidelines to respond to market developments. This will enable them to act in the best interests of shareholders when opportunities arise, by issuing ordinary shares at short notice, without the need to convene a general meeting.

This authority renews that given at last year's AGM and will expire at the conclusion of the Company's AGM in 2023 or, on 30 June 2023, whichever is the earlier, although your Directors intend to continue the practice of seeking renewal of this power at each AGM.

Explanatory notes to the business of the AGM continued

Resolutions 17 to 19

These resolutions will be proposed as special resolutions. For these resolutions to be passed, at least 75% of the votes cast must be in favour.

17. Authority to allot ordinary shares for cash on a non pre-emptive basis

If your Directors allot new shares (or sell treasury shares) for cash (other than in connection with an employee share scheme), they must first offer them to existing shareholders in proportion to their existing holdings (known as pre-emption rights).

However, there may be occasions when your Directors need the flexibility to finance business opportunities by the issue of shares for cash without a pre-emptive offer to existing shareholders. This resolution seeks shareholders' approval to do this.

The resolution seeks approval for the allotment of new ordinary shares (a) in connection with a rights issue and (b) otherwise in connection with a rights issue of up to a nominal amount of £17,243,490.47 for cash (which includes the sale of any shares held in treasury), representing 5% of the Company's issued ordinary share capital as at 24 March 2022. This authority falls within the Pre-Emption Group's Statement of Principles.

Your Directors intend to adhere to the provisions of the Pre-Emption Group's Statement of Principles not to allot shares (other than pursuant to a rights issue or pre-emptive offer) in excess of an amount equal to 7.5% of the Company's issued ordinary capital in any rolling three-year period, without prior consultation with shareholders.

This authority renews that given at last year's AGM and will expire at the conclusion of the Company's AGM in 2023, or on 30 June 2023, whichever is the earlier. A renewal of this authority will be proposed at each subsequent AGM and the authority sought will fall within the Pre-Emption Group's Statement of Principles.

18. Authority for the Company to purchase its own ordinary shares

In 2021, the Company completed a buyback programme that returned £150m to shareholders. As announced on 11 March 2022, the Company announced that it would carry out a further buyback programme in the amount of £150m (the '2022 Buyback Programme').

Your Directors are committed to managing the Company's share capital effectively and it is proposed that, in common with many other listed companies, the Company continues to have the authority to make market purchases of its own shares. The number of shares the Company can buy is limited to a maximum of 10% of the Company's issued ordinary share capital, excluding treasury shares, calculated by reference to the number of ordinary shares respectively in issue at 24 March 2022.

The resolution sets out the lowest and the highest prices the Company can pay for its shares. The authority expires at the conclusion of the AGM in 2023 or, on 30 June 2023, whichever is the earlier.

This resolution is consistent with the Investment Association's Share Capital Management Guidelines which are more restrictive than the Companies Act 2006. Your Board will continue to monitor the capital requirements of the Company carefully and, although there are no plans to purchase ordinary shares at the moment other than under the 2022 Buyback Programme, the Directors consider it prudent to be able to act at short notice if the circumstances warrant it. Your Board will only make use of these authorities if it is satisfied: that it would promote the success of the Company to do so; that it could be expected to result in an increase in earnings per share; and accordingly that the purchase is in the interests of shareholders as a whole.

As at 24 March 2022 52,909,325 ordinary shares had been purchased and were being held as treasury shares.

As at 24 March 2022, there were no outstanding warrants or options to subscribe for ordinary shares.

If the Company purchases its own shares they will be cancelled or held as treasury shares. The Companies Act 2006 permits the Company to hold shares purchased as treasury shares rather than treat them as cancelled. Any shares held in treasury may subsequently be cancelled, resold for cash or used to satisfy share options and share awards under an employee share scheme. Once shares are held in treasury, the Company is not entitled to exercise any rights, including the rights to attend and vote at meetings and receive dividends, in respect of those shares. Your Board will only hold shares in treasury where it believes this course of action would promote the success of the Company.

19. Notice of general meetings

Changes made to the Companies Act 2006 by The Companies (Shareholders' Rights) Regulations 2009 (the Regulations) increase the notice period required for general meetings to 21 days, unless shareholders approve a shorter notice period, which cannot be less than 14 clear days. Such approval will not affect AGMs, which will continue to be held on at least 21 clear days' notice.

Before the Regulations came into force, the Company was able to call general meetings (other than AGMs) on 14 clear days' notice. In order to preserve this ability, this resolution seeks renewal of the shareholder approval given at the 2021 AGM. If renewed, this approval will be effective until the conclusion of the Company's AGM in 2023, when your Directors intend to seek a further renewal. Shareholders should note that the changes to the Companies Act 2006 pursuant to the Regulations mean that, in order to

be able to call a general meeting on less than 21 clear days' notice, the Company must make a means of electronic voting available to all shareholders for that meeting. The Company has provided an electronic voting facility for several years and intends to continue to do so. The shorter notice period would not be used as a matter of routine for such meetings, but only where the flexibility offered by the shorter notice period would be in the best interests of shareholders generally, taking into account the circumstances and business of the meeting, including whether the business is time sensitive.

Important information for shareholders

You (or any appointed proxy) have the right to attend, speak and vote at the AGM if you are a holder of ordinary shares as shown on the Company's share register at close of business on Tuesday 10 May 2022 (or, in the event of an adjournment, at close of business on the date which is 48 hours before the time of the adjourned meeting). Changes to the Register of Members after the relevant deadline will be disregarded in determining the rights of any person to attend and vote at the AGM.

If you cannot attend the AGM, you may appoint someone else as your proxy. The number of shares that you hold as at the relevant deadline will determine how many votes you will have directly or through your proxy (or proxies).

Time and place of AGM

Balfour Beatty's AGM will start promptly at 11:00am on Thursday 12 May 2022 at The Curve Building, Axis Business Park, Langley, Berkshire SL3 8AG. Registration will start at 10:30am.

What you need to bring

Please keep and bring with you your Form of Proxy (or a copy of it). It will authenticate your right to attend, speak and vote and will speed up your admission. You may also find it helpful to bring this circular with you, so that you can refer to it at the meeting.

Joint shareholders

All joint shareholders may attend and speak at the meeting. However, only the first shareholder listed on the Register of Members is entitled to vote.

Shareholders with disabilities

The venue for the meeting has full access for the disabled.

Appointing a proxy

You may appoint a proxy – someone who will attend the AGM on your behalf and exercise all or any of your rights to speak and vote – by completing and returning the Form of Proxy in accordance with the following instructions.

A proxy need not be a member of the Company.

Before completing the relevant Form of Proxy, please read the following explanatory notes.

How to complete the Form of Proxy

1. Appointing the Chair of the AGM as your proxy

For convenience, the appointment of the Chair of the Meeting has already been included. If you wish to make this appointment, you need only complete, sign and date the Form of Proxy.

The Form of Proxy enables you to instruct the Chair of the meeting how to vote on the resolutions to be proposed at the AGM. These resolutions are set out in the notice of meeting on pages 2 and 3 and are explained on pages 5 and 6.

The meeting Chair will vote (or withhold their vote) as they think fit on any other business which may properly come before the meeting.

Please place an 'X' in the appropriate box alongside each resolution to indicate whether and, if so, how you wish your vote to be cast in relation to that resolution. In the absence of any specific instruction on how to vote on a particular resolution, your proxy may vote as the proxy thinks fit on any motion to amend a resolution or to adjourn the meeting, or on any other resolution proposed at the AGM. The 'Vote withheld' option is provided, in accordance with best practice, so as to enable you to instruct your proxy not to vote on any particular resolution. However, it should be noted that a vote withheld in this way is not a vote in law and will not be counted in the calculation of the proportion of votes 'For' or 'Against' a resolution.

2. Appointing someone other than the meeting Chair as your proxy

If you wish to appoint someone else as your proxy, you should insert the name of your proxy in the space provided.

If necessary, please enter in the box next to the proxy's name the number of shares over which they are authorised to act as your proxy. If left blank, the proxy will have your full voting entitlement.

3. Appointing more than one person as your proxy

To appoint more than one person as your proxy, you may photocopy the relevant Form of Proxy in relation to each proxy you wish to appoint. Each Form should clearly indicate the name of the proxy and the number of shares in relation to which they are authorised to act as your proxy. Please also indicate if the proxy instruction is one of multiple instructions being given.

All Forms must be signed and should be returned together in the same envelope.

4. Signing the Form of Proxy

Before posting the relevant Form(s) of Proxy, please check that it has been signed and dated. In the case of joint holders, any one of you may sign.

If someone signs the Form on your behalf, you or that person must send it to the Company's Registrar, Link Group (see 6 to 8 below) with the authority under which it is signed, or a copy of the authority which has been certified by a solicitor or notary.

5. Corporate appointment of proxy

Where the person appointing the proxy is a company, the relevant Form of Proxy must be executed either under seal or under the hand of a duly authorised officer or attorney and the appropriate power of attorney or other authority must be lodged with the Form.

6. Posting details

To be valid, a Form of Proxy, together with any authority (see 4 and 5 above), must be received by Link Group not later than 11:00am on Tuesday 10 May 2022, or if the AGM is adjourned, 48 hours before the time for holding the adjourned AGM.

Completion and return of a Form of Proxy will not prevent you from attending and voting in person at the relevant meeting.

7. UK shareholders

Each UK shareholder should reply by posting a Form of Proxy to Link Group in the envelope provided. No stamp is required. Alternatively, you may vote electronically via the internet at www.balfourbeatty-shares.com (see 10 below).

8. Shareholders outside the UK

Shareholders with addresses outside the UK should reply by returning their Form of Proxy in an envelope to Link Group, PXS, 10th Floor, Central Square, 29 Wellington Street, Leeds, LS1 4DL, United Kingdom.

Alternatively, you may vote electronically via the internet at www.balfourbeatty-shares.com (see 10 below).

How to complete the Form of Proxy continued

9. Duplicate Forms of Proxy

If Link Group receive two or more Forms of Proxy from the same shareholder relating to the same shareholding, they will act upon the one that is delivered last (regardless of its date). If they cannot confirm which one was delivered last (regardless of its date), they will not act on any of the Forms. If your Form arrives after the voting deadline, it will not be valid and will not replace any earlier Forms that they have received.

10. Electronic proxy submission

If you would like to submit your Form of Proxy electronically via the internet, you may do so via www.balfourbeatty-shares.com.

You will need to register to use the service if you have not already done so. Once registration is complete, you may vote online by following the instructions provided.

CREST members who wish to appoint a proxy or proxies by utilising the CREST electronic proxy appointment service may do so for the meetings and any adjournment(s) thereof by utilising the procedures described in the CREST manual. CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a voting service provider, should refer to their CREST sponsor or voting service provider, who will be able to take the appropriate action on their behalf.

In order for a proxy appointment made by means of CREST to be valid, the appropriate CREST message (a CREST Proxy Instruction) must be properly authenticated in accordance with Euroclear's specifications and must contain the information required for such instructions, as described in the CREST manual. The message must be transmitted so as to be received by the issuer's agent (ID RA10) by the latest time(s) for receipt of proxy appointments specified in the relevant notice of meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Application Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST Personal Member or sponsored member or has appointed a voting service provider, to procure that the CREST sponsor or voting service provider takes) such action as shall be necessary to ensure that a message is transmitted by the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001, as amended.

11. Documents

The notes to the formal notice of the AGM on page 4 provide details of the documents which are available on the Company's website for inspection prior to the AGM.

12. General information

Tea and coffee will be available up to the commencement of the AGM and light refreshments will be available after the meeting.

For the safety of everybody at our AGM, you may be asked to provide proof of your identity and to allow our security staff to search any bags or packages. Please allow time for these procedures. You will not be allowed to enter the meeting with recording equipment, cameras, or any other inappropriate item which may interfere with the good order of the meeting. Large bags, rucksacks and suitcases cannot be brought into the meeting. Storage and cloakroom facilities will not be provided. If, having registered, you wish to leave the building, you should first report to the registration desk. If you fail to do this, you may have difficulty gaining readmission. We may refuse entry to persons whose demeanour or behaviour we believe may interfere with the good order of the meeting. Anyone attempting to take photographs, film or record the proceedings may be asked to leave.

Please switch off any mobile phones or other electronic equipment before the meeting begins.

We hope you will understand that these arrangements are for the protection of all shareholders and to ensure good order at the meeting.

If you have any comments or questions concerning the AGM, you can write to the Company Secretary either by post to the Company's registered office or by email to companysecretary@balfourbeatty.com, with the heading 'AGM 2022'. Notices of termination of proxy appointment, or requests for additional Forms of Proxy, should not be sent to this email address. If you wish to give notice of the termination of a proxy appointment, please send a letter to the Company's Registrar giving the full details. This should arrive before the voting deadline. Please note that, as indicated on the Shareholder information page, any administrative enquiry relating to your shareholding should, in the first instance, be directed to the Company's Registrar clearly stating your registered name and address and, if available, shareholder reference number. You can obtain the results of the AGM by telephoning the Company's Registrar after the meeting has ended. The results will also be announced to the Financial Conduct Authority via a Regulatory Information Service and will appear on the Balfour Beatty website at www.balfourbeatty.com as soon as practicable following the meeting.

11. Duplicate mailings

You may have received separate sets of documents as it was not possible to combine your records – for example, because different dividend payment instructions apply. Any shareholders who now wish to stop duplicate mailings by combining their records should contact Link Group (see Shareholder information in the 2021 Annual Report on pages 253 to 255).
